### **Content of lessons:**

BMoved sessions are uniquely designed to create an interactive, exciting, and happy space which allows each individual to express themselves freely. We inspire each child to reach their full potential and be truly excited about all areas of life – this is achieved through fun-filled team building games, songs uniquely selected for their 'life lesson lyrics', morals and manners themes, inspiration to enjoy fitness through familiar dance hits, and social awareness activities.

***BE BRAVE, BE STRONG, BE BOLD, and  
most of all LAUGH and BE KIND.  
BE TRULY MOVED and BE HAPPY with BMOVED!***

The overall experience is to positively energize young minds across all their senses so as to encourage, inspire and guide them to reach their full potential. Participants have fun whilst learning self-confidence, acceptance, and random acts of kindness towards their peers. We encourage students to embrace a healthy lifestyle filled with optimism, enjoy healthy food choices, and to take responsibility at home and at school.

**Please bear in mind that NO parents, family, friends, etc. are permitted to watch the lessons. The presence of an audience each week becomes disruptive. An open day(s) will be arranged during the course of the year for you to view your child's progress. Thank you for your co-operation.**
